

About Leadership Upper Cumberland

Our Mission

The mission of Leadership Upper Cumberland (LUC) is to promote the economic and social development of the Upper Cumberland through leadership training.

We strive to achieve this mission through

- assisting the development and enhancement of local leadership programs;
- establishing and sustaining a regional leadership training program; and
- providing community leaders with networking opportunities.

Our History

LUC is a non-profit organization providing leadership training and networking opportunities to individuals in 15 counties in the Upper Cumberland region.

The organization was chartered in 1996.
